

Year 11	Autumn Term 1							
	30 Aug.	6 Sept.	13 Sept.	20 Sept.	27 Sept.	4 Oct.	11 Oct.	18 Oct.
Art	COMPONENT 1: Coursework Portfolio. Architecture project, carrying out further media experiments in Print-Making and Ceramics.							
	<i>Homework</i>							
	Create a front cover for Component 1 folder.		Updating the portfolio each week. Catching up on essential research linked to experimental work completed in class. Work will be individual to each student.					
Biology	B12 Homeostasis in action & B13 Reproduction							
	<i>Homework</i>							
		Set up Seneca	Cell structure and transport Conservation Homeostasis in action				Cell division Black history month: Scientist Fact file	
Chemistry	C6 Electrolysis & C5 Chemical Changes							
	<i>Homework</i>							
		Set up Seneca	Atomic structure Electrolysis				The Periodic Table Black history month: Scientist Fact file	
Child Development	RO18 - Health and wellbeing for child development RO18 - Illness and diseases							
	<i>Homework- Exam question - revision of labour and birth</i>							
Computer Science (Programming)	Unit 5 - Networks and Unit 2A Programming:							
	<i>Homework: 4 Test&Track.io online tests to complete</i>							
	Logging on to WUS and accessing Teams	L1a & b: Wired and Wireless Networks	Python Recap up to Iteration: ● W3Schools ● 150 Challenges	Network topologies Network Security	● Unit 4 Computer Systems	L4: Protocols and layers (2 lessons)	Unit 2A Programming: Worksheet 4: Arrays	System Security (All of this is on Test&Track.io)

Dance	Solo performance set phrase: Shift and section A of written paper.							
	<i>Homework</i>							
	Practical rehearsal		Section A of paper			Choreography research		
Drama	Devising rehearsals and performances (Component 2.)							
	<i>Homework</i>							
	Complete first draft of Section 1 and 2 (Devising Logbook.)		Section 1 and 2 improvements (Devising Logbook.)		Complete notes sheet for Section 3 and Rehearsal Tracker.		Complete notes sheet for Section 3 and Rehearsal Tracker.	
English	UNSEEN POETRY							
	<i>Homework</i>							
		SPOKEN LANGUAGE FINAL PREP	EE CUMMINGS KEY WORDS	EVAN JONES TONE	ROBERT HULL FROST	WIFRED OWEN SIMILES	DH LAWRENCE LAST LINES	WH AUDEN REPETITION
Food	Food Science and Non-Examined Assessment							
	<i>Homework - exam questions revising content from last academic year</i>							
	The science behind food	Commencement of non-examined assessment - research stage			Practical work will be individual this term and will be based on the non-examined assessment			
French	To learn about school life: to discuss school subjects, uniform, school rules and how can the school be improved. The students will be able to express opinions using a variety of expressions and tenses.							
	<i>Homework</i>							
	Vocabulary learning: quizlet		To complete reading and listening task to prepare for key assessment (past paper)		Grammar sheet/quiz		To prepare answers on questions about school life	

Geography	Recap	The Challenge of Natural Hazards - Weather	Rivers and Urban Issues and Challenges revision and assessment	The Challenge of Natural Hazards - Climate Change	TBC
	<i>Homework</i>				
	Urban Issues and Challenges Revision		Rivers revision	Tectonic Hazards revision	Revision quiz
Graphics	Typography				
	<i>Homework</i>				
	Watch a range of YouTube artists videos and subscribe to ones you like	Photographing typography	Object Based typography	Creative lettering design	
History	Assessment Revision & Germany				
	<i>Homework</i>				
	Assessment Revision: Cold War & Elizabeth	Assessment Revision: Cold War & Elizabeth	Cold War Revision task: Grand Alliance conferences	Elizabeth Revision Task: Why were the Catholics a threat?	
BTEC ICT	Component 2, Learning Aim B: Collecting, Presenting and Interpreting Data				
	<i>Homework: Only include the 1 piece of formally assessed homework</i>				
	Logging on to WUS and accessing Teams	Learning MS Excel: How 2Excel project	B1 Data processing methods - 07 Data Manipulation Methods	B1 Data processing methods - Other Processing Methods	B1 Data processing methods - Presentation Methods

Maths Higher	Algebra 8		Probability and Statistics 3	
	<i>Homework</i>			
	Algebra 8		Probability and Statistics 3	
Maths Foundation	Algebra 4		Ratio and proportion 6	
	<i>Homework</i>			
	Algebra 4		Ratio and proportion 6	
Media Studies	<p>COMPONENT 2 – Apply media production skills and techniques - Learning Aim A</p> <p>Students will apply relevant media production skills and techniques through the following media practices: pre-production, production and post-production when reworking extracts of an existing media products.</p>			
	<i>Homework</i>			
	Log and review your filming shots, are there any shots you need to capture again?	Focus on editing your shots together, applying key editing techniques including music, transitions and graphics.	Complete any outstanding pre-production that is not complete. This includes the storyboard and shot list.
