Dear Parents and Carers

Welcome back to school. I hope you have all had an enjoyable half term.

Assessments

I would like to draw your attention to Year 9 assessment week next week, and year 10 assessment week starting Monday 15 November.

Subject staff will have shared information with your child about the topics covered, and what content and skills they should have revisited for these assessments.

Do remember our assessment schedule is on our website: [Assessment Schedule 2021-22](#)

The pursuit of excellence

We have updated our celebration boards to reflect the superb learning efforts of our Year 9, 10 and 11 pupils during last half term. Our Attitude to Learning grades commend those that are focused on their own learning, showing resilience and engaging in activities. Attitude to Learning scores are not about academic ability but celebrate effort. If you have trouble accessing the ClassCharts App do let us know. Each half term we display the top 10% of ATL grades over that period. A huge well done to ALL our pupils gaining ATL 4s and 5s, demonstrating their great learning behaviours.

Our review cycle

This week we have been reviewing the work of some departments in the school. This is part of our annual review cycle. We have been hugely impressed, especially with meetings with some of our pupils. Pupils were involved in focus groups to talk about their learning and their experiences in school.

I would like to thank the pupils who all got involved so enthusiastically.

It is a pleasure to send another newsletter celebrating the achievements of our pupils. We are always very keen to hear about, and share, the achievements of our children. Do let us know about these, sometimes pupils aren't forthcoming about their skills and talents.

Next week our assembly marks Remembrance Day. On Monday we will be communicating with pupils that they are able to wear their cadets uniforms in school on Thursday 11 November. Usually pupils bring their uniform into school and then change, and pupils should take advice from their cadet leader regarding this.

Wishing you all a lovely weekend

Kind regards

Mrs McMorn
Head of School
